Phaser® 6121MFP Colour Multifunction Printer

Designed to simplify office life. The space-saving Phaser 6121MFP puts colour printing, scanning, copying and faxing together in a highly productive, user-friendly device. You'll find it's just the right fit to handle your office document demands.

Simple operation

Thoughtful engineering makes the Phaser 6121MFP simple to operate. It's an excellent choice for the busy single user or small office with a lot of work to do and minimal IT support.

- **Fast, easy setup.** Advanced Xerox installer software automatically installs and configures your device for easy network connection. And toner cartridges come pre-installed. You're completely up and running in minutes.
- **Network management simplified.** CentreWare® IS web server lets you configure, monitor and manage your new multifunction printer from your computer, as well as get quick access to online support.
- **Well-designed front panel.** Walk-up functions such as copy, scan and fax are especially user-friendly, with clearly marked controls and the most-used tasks right up front.
- **Day-in, day-out reliability.** The Phaser 6121MFP comes with a one-year on-site warranty.
- **Save resources.** The Phaser 6121MFP is Energy Star-qualified to save on electric bills and is part of our Green World Alliance programme. Just download and print our pre-paid shipping labels, attach them to used toner cartridges and we'll recycle them for free.

Convenient all-in-one functionality

Replace standalone fax and copy machines, scanners and printers with a single device that delivers business-class features at a budget-pleasing price.

- **Performance to support one to five users.** Print speeds of up to 20 ppm black and white and convenient 5 ppm colour when you need it.
- **Add attention-getting colour to your business documents.** 1200 x 600 dpi resolution delivers clear sharp text, and Pantone®-approved solid-colour simulations automatically print the right colours every time.
- **Basic digital workflows with powerful scanning capabilities.** Scan a colour hard copy to extract information. Then edit it, refine it and put it back to work.
- **Efficient copy features.** The ID Card Copy feature lets you print both sides of a driver's license, ID card or other small document on a single side of a sheet of paper; and collation saves time by eliminating manual sorting.
- **Choose fax.** Phaser 6121MFP/N and 6121MFP/D configurations let you fax and broadcast-fax directly from the device or from your networked computer*.
- **Built for tight spaces.** Small and stylish, it's quiet operation makes it ideal for the small office environment.

Scanning: a smarter way to manage your documents

- **Set up scan workflows at your desktop.** The Scan Dashboard* lets you configure scanner settings and scan paper documents into popular applications such as Microsoft Word.
- **Xerox Scan to PC Desktop® software*.** Includes industry-leading applications to scan your documents, translate them into fully editable text and optimise images.
- **Simple storage.** Save scanned files directly to a USB memory device for easy transportability.
- **Scan to email with authentication.** Route files to email recipients directly from the front panel user interface.
- **Colour scan capabilities.** This means you can communicate in colour via email or digital file distribution.
- **Scan routing made easy.** Add email addresses and FTP server destinations to the printer's address book or integrate with your network email directories via LDAP.

*Windows only

Phaser® 6121MFP Quick Facts

- Print up to 5 ppm colour/ 20 ppm black and white
- First-page-out time as fast as 21 seconds colour/ 11 seconds black and white
- 1200 x 600 dpi print resolution
- Up to 35,000 pages/month duty cycle
- 200-sheet capacity, expandable to 700 sheets

Flexible features, perfect fit

Don't pay for features you don't need. The Phaser 6121MFP offers plenty of choices for tailoring a device to fit your work habits and budget.

- **Three configurations.** You get the right combinations of office functions in one device. The 6121MFP/S delivers the essentials of printing, copying and scanning. The 6121/N delivers full-featured faxing and the 6121MFP/D adds efficient, automatic two-sided output capability.
- **Easy to share.** USB 2.0 connects your new multifunction printer directly to a standalone computer, or choose 10/100Base-T Ethernet and turn the Phaser 6121MFP into a full-fledged network device.
- **Right-sized paper capacity.** High-output users can opt for an affordable 500-sheet feeder, bringing total paper capacity to 700 sheets.
- **Automatic two-sided printing.** Standard on 6121MFP/D, this can dramatically cut your paper consumption, giving you money-saving professional-looking output.
- **Hands-off paper management.** The automatic document feeder (6121MFP/N and 6121MFP/D) simplifies scanning and faxing of multi-page documents.
- **High-capacity toner cartridges.** Provides cost-saving and non-stop printing. Choose standard capacity when print volumes are lower.

- 1 Our smallest Xerox colour multifunction printer is perfect for tight virtual offices and shared work spaces.
- 2 Automatic Document Feeder lets you load up to 35 sheets of paper for one job.
- 3 Standard 200-sheet tray feeds custom sizes up to 216 x 356 mm.
- 4 Optional additional tray adds 500 sheets of input capacity for a total of 700 sheets (6121MFP/N and 6121MFP/D only).
- 5 Automatic two-sided printing is standard on 6121MFP/D and available as an option on 6121MFP/N.
- 6 USB Memory Port lets you scan files directly to a USB memory device.
- 7 Convenient, one-touch buttons let you choose between brilliant colour and cost-effective black and white copying.
- 8 Address book allows you to store fax numbers and email addresses.

Phaser® 6121MFP Configurations

Phaser 6121MFP/S

Print, Copy, Scan

- Platen cover
- USB 2.0 connectivity
- Scan to PC (USB) and Scan to USB memory drive

Phaser 6121MFP/N

Print, Copy, Scan, Fax

- Automatic Document Feeder
- USB 2.0, 10/100Base-T Ethernet
- Scan to PC (USB/Network), Scan to USB memory drive, Scan to email, Scan to TWAIN applications
- Embedded Fax and LAN Fax (Windows only)

Phaser 6121MFP/D

Print, Copy, Scan, Fax

- Automatic Document Feeder
- USB 2.0, 10/100Base-T Ethernet
- Scan to PC (USB/Network), Scan to USB memory drive, Scan to email, Scan to TWAIN applications
- Embedded Fax and LAN Fax (Windows only)
- Automatic two-sided printing

Options

- Automatic two-sided printing (6121MFP/N only)
- One additional 500-sheet tray (6121MFP/N and 6121MFP/D only)
- Wireless network adaptor (6121MFP/N and 6121MFP/D only)
