Samsung Colour Laser Multifunction Printer CLX-6220FX/6250FX

Itifunction Printe CLX-6220FX/6250FX

## Professional performance, multifunction usability

Samsung's focus on high specification and quality colour prints has shaped the development of this multifunctional printer range. When your business demands high performance levels of printing, scanning and copying the Samsung CLX-6220-FX/6250FX range is an ideal option.

The Samsung CLX-6220FX/6250FX range offers consistently outstanding colour prints, copies, scanning as well as minimising operational costs.

## Samsung Colour Laser Multifunction Printer CLX-6220FX/6250FX

## Specifications

### CLX-6220FX

Print		
Speed (Mono)	Up to 20 ppm in A4 (21 ppm in Letter)	Up to 24 ppm in A4 (25 ppm in Letter)
Speed (Colour)	Up to 20 ppm in A4 (21 ppm in Letter)	Up to 24 ppm in A4 (25 ppm in Letter)
First Print Out Time (Mono)	Less than 24 sec	Less than 17 sec
First Print Out Time (Colour)	Less than 24 sec	Less than 17 sec
Resolution		) dpi effective output
Fmulation		
	PostScipt3, PCL5c, PCL6, SPL-C (Samsung Printer Language Colour)	PostScipt3, PCL5c, PCL6
Duplex	BI	ulit-in
Сору		
Speed (Mono)	Up to 20 cpm in A4 (21 cpm in Letter)	Up to 24 cpm in A4 (25 cpm in Letter)
Speed (Colour)	Up to 20 cpm in A4 (21 cpm in Letter)	Up to 24 cpm in A4 (25 cpm in Letter)
Resolution	Up to 1,20	0 X 1,200 dpi
First Copy Out Time (Mono)	Less than 28 sec	Less than 24 sec
First Copy Out Time (Colour)	Less than 28 sec	Less than 24 sec
Zoom Rate		an. 25% to 100% for ADF
Aulty Copy		~ 99
Duplex Copy		ult-in
Copy Features	ID Copy, Clone Copy, N-up Copy, Po	ster Copy, Watermark Copy, Book Copy
Scan		
Compatibility	TWAIN Standard, WA Standard (Windows only), ICDM (Mac OS X 10.5/10.6 only)	
/lethod	Colour Flatbed Scanner or DADF	
Resolution (Optical)	Up to 600 x 600 dpi	
Resolution (Enhanced)	Up to 4,800 x 4,800 dpi	
Scan to	USB/SM/S/ETP/Network/Email	
ax	035/3//11	
Compatibility	ITU-T G3	
Modem Speed	33.6Kbps	
Resolution	Up to 300 x 300 dpi (B/W), 200 x 200 dpi (Colour)	
Vlemory	less than 4 MB	
Auto Dial	Yes	
Fax Feature	Colour Fax, PC-Fr	ax (Mono Send Only)
Paper Handling		
nput Capacity and Types	250-sheet Cassette, 10	0-sheet Multi-Purpose Tray
Output Capacity and Types	Up to 170-sheet Face Down	
Vedia Size	98mm x 148mm (3.86" x 5.83", ~ 216 x 356 mm (8.5" x 14")	
Viedia Type	Ervelopes, Labels, Card Stock, Bond, Archive	
	Livelopes, Labes, value slove, boliu, Aidrive 50-sheet	
ADF Capacity		
ADF Document Size	Width : 142 ~ 216mm (5.6"~8.5"), Length : 148 ~ 356mm (5.8" ~ 14")	Width : 148 ~ 216mm (5.8" ~ 8.5"), Length : 148 ~ 356mm (5.8" ~ 14")
General		
CD	16 x 4 line LCD	(White BackLight)
Nemory / Storage	256 MB (Max. 512 MB)	256 MB (Max. 768 MB) / 160GB HDD(Option)
OS Compatibility	Windows 2000/XP/2003/Vista/2008/7/2008 R2, Various Linux OS, Mac OS X 10.3~10.6	
nterface	Hi-Speed USB 2.0, Ethernet 10/100Base-TX / USB host 2.0 (Scan to USB, USB print)

Samsung Colour Laser Multifunction Printer CLX-6220FX/6250FX

## Efficient functionality for maximum productivity

With Samsung's CLX-6220FX/6250FX range you get the benefit of high quality colour printing as well as scanning, copying and faxing helping to provide a productive and efficient office environment. With enhanced colour quality and superior specifications the Samsung CLX-6220FX/6250FX range offers your business an effective office solution. Low maintenance, high speed and intelligent resolution features create an economical yet user-friendly multifunction printer.

## Colour technology suitable for a demanding office environment

Improved colour technology delivers colour adjustments and uniformity for versatile and high quality document output.

### Samsung Easy Colour Manager

Easy Colour Manager allows users to easily adjust colour balance, brightness, contrast and saturation of any image that you view on your monitor. It can be especially useful

- You can get an image from anywhere on your screen.

 You can extend or reduce the size of preview window. You can adjust colour tone of the image that you grabbed.

- You can save your toner or paper by selecting the precise area to print.

#### **High Resolution**

Communication is key in any business. Colour Print quality can make your company stand out. The Samsung CLX-6220FX/6250FX range excels in its printing capability by featuring a resolution level of 9600x600 dpi and high glossiness level, providing you with consistent professional documents.

### Outstanding performance for the demanding office environment

The Samsung CLX-6220FX/6250FX range delivers improved functionality to ensure versatile and high quality document output, whether it be print, copy or scans. Smaller businesses and workgroups can now benefit from having fast multifunction features without compromising on quality.

#### High Speed

Users benefit from a high speed printer, copier and scanner that offers high resolution document printing. With a 360/700MHz CPU\* and a generous 256MB RAM, the Samsung CLX-6220FX/6250FX range has a 20-24ppm print speed as well as a First Page Out Time of as fast as 17 seconds\*\*.

\* 17 sec refers to CLX-6250EX only \*\* 700MHz CPU refers to CLX-6250FX only.

#### Smooth Network Integration

Connect everyone in your office to one network and keep everything running smoothly. They'll share a common printer and you'll save time from servicing multiple machines. And with Ethernet interface you can increase your performance by hooking it up to the network.

#### Samsung Fine Edge Technology

The edges of fonts appear crisper and clearer, producing a more professional looking document. The Fine Edge function creates precise and tidy documents for ultimate readability.

## 93 PCL Fonts

A Printer Command Language of 93 sets of fonts allows for more creative documents. Users can create more original and imaginative documents due to the wider choice of fonts.

## For an office environment that believes in economical and efficient quality

Consolidation of your office equipment can dramatically reduce overheads across your print, scan, copy and fax environments. By requiring consumables for only one machine and reducing the amount of electricity used, the CLX-6220FX/6250FX range is both cost effective and easy to use.

### Economical for your business environment

#### **Toner Management**

With the Toner Save mode you can monitor and effectively limit your toner usage for a cost effective business solution. Using less toner on each page can extend your cartridge life, significantly reducing your cost per page and helping to meet environmental standards

#### Duplex Printing

With the Samsung CLX-6220FX/6250FX range duplex printing has been made easier and more convenient with the removal of the unnecessary need for paper reinsertion. The duplex automatic document feeder saves time and money by loading several sheets at a time to be able to print doublesided documents automatically, including faxes.

#### Power Save Mode

Reduces the cost of printing and lowers the temperature of the machine, creating a more durable environment for the printer components. Less wear and tear means extended quality and fewer replacement parts needed.

#### **Energy Efficient**

Samsung's Instant Fusing technology utilises low energy lamps for heating the internal print roller rather than the traditional high energy heating elements. This allows for a more energy efficient and faster printer.

### User-friendly, multifunction printers for the demanding office environment

#### Blue Compass Navigation

Samsung's unique Blue Compass Navigation with 4 Line LCD screen is easy to learn and even easier to use, so you can be more productive, more guickly. The navigation array gives you instant access to all the different print functions and controls. Simple, intuitive menus and buttons add to the savings in training and troubleshooting time. 4 Line LCD screen make operations guick and easy, and printer control panels have everything covered, including job status, toner level, paper jam, paper empty and cover open alerts.

USB Direct Printing

#### Direct USB Interface

The Samsung CLX-6220FX/6250FX range utilises the latest technology to ensure total convenience. With a USB port located on the front of the printer you can easily access and print the files stored on vour USB drive. With a wide range of files supported from PDF, BMP, TIFF and JPEG you can save time by printing straight from the USB drive.

## The professional solution centre

Professional printing, copying, scanning and faxing gives businesses an effective winning edge.

Samsung's CLX-6220FX/6250FX range provides professional documents, increases productivity and helps to maintain economic running costs.

### Job Accounting Plug-in for SyncThru<sup>™</sup> Admin 5

SyncThru<sup>™</sup> Admin 5 device management solution allows IT The Job Accounting Plug-in for SyncThru™ Admin 5 is a usage managers to easily manage and monitor all printer and MFP devices monitoring and tracking solution for printers and MFPs. The system on the network. SyncThru™ Admin 5 enhances productivity with manages devices and user accounts allowing you to view job efficient and time-saving device management tools such as remote accounting information and statistics. This system provides a cost settings modification and driver distribution. The service can also effective and efficient solution. Authorised users can completely manage data and control access with ease.

## SyncThru<sup>™</sup> Web Service

SyncThru<sup>™</sup> Admin 5

SyncThru<sup>™</sup> Web Service is easily and remotely accessible through a web browser and provides administrators with the ability to change network and individual printer settings, upgrade firmware and view your network printer status.

include job accounting, usage monitoring, and authentication.

How SyncThru<sup>™</sup> Web Service Operates

### Keeping Your Office Environment Secure

When secure communications need to be considered, Samsung delivers the full coverage needed. The Samsung CLX-6220FX/6250FX range offers convenient built-in security features to ensure protection against unauthorised users and network vulnerability. Users can benefit from the cost effectiveness and high level of security need to guarantee protection across the network, device and office environment.

#### Samsung's Secure User Access

Samsung's Secure User Access protects unofficial users from accessing data through PIN and password authentication and can also be utilised to approve authorisation and provide job accounting, meaning that you can manage and restrict the access to secure documents and files sent to your multifunction printer.

#### Secure Data Functionality

As well as User Security, the Samsung CLX-6220FX/6250FX range offers Secure Data Functionality. By offering the security options from encryption to HDD Image Overwrite users can securely store information on the device's hard disk drive, and by implementing an image overwrite function users can erase image data created during the copying, printing or scanning processes.

#### Secure Networking Functionality

Secure Networking Functionality from SSL/TLS, SNMPv3, IPSec (IPv4, IPv6), and 802.1x (with EAP) makes access to the multifunction print features fast and secure, creating peace of mind for your office infrastructure.

#### Secure Document Functionality

Alongside the data and network security, Samsung offers Secure Document Functionality to make document tagging i.e. watermarks and stamps, simple and easy, in order to provide high levels of security that are convenient and affordable

#### Secure Management

ToensurethatallthesesecuritybenefitsareutilisedtotheirhighestlevelsSamsung offers a Secure Management system to provide logs, backup and email notification. This allows users to have an overall view of their secure documents. even after they have been printed and stored.
