

SAMSUNG

TURN ON TOMORROW

Experience high-quality colour
in one simple touch

With quick, convenient One Touch Print Screen capabilities and high quality printing performance, the user-friendly Samsung CLP-320/325 laser printer is the best a desk can get.

Samsung Colour Laser Printer
CLP-320/325

Get it done quick and easy with the user-friendly Samsung CLP-320/325 laser printer. Its convenient one touch print screen button makes printing from your computer screen a breeze—as if its super-fast printing speed wasn't enough. All this speed and convenience is matched by impressive, high quality colour printing with up to 2,400 x 600 dpi. The CLP-320/325 effortlessly delivers maximum colour while stylishly sporting a minimal design, with its chic black and creme grey facade. All this style and power, yet the compact CLP-320/325 fits easily almost anywhere.

From the monitor to the page with just one touch

The CLP-320/325's Print Screen button – conveniently located on the printer control panel – lets you print the contents from your screen quickly and easily. Just one touch is all that it takes. Now you can print anything, anytime.

Ideal for small, stylish spaces and busy places

The ultra compact Samsung CLP-320/325 easily fits on any desktop leaving plenty of room for you to get your work done. You'll also really enjoy the convenient power switch located on the front panel for fast and easy access. How's that for accommodating design?

Your printing experience just got a lot more colourful

With colour accuracy and the power to handle the demands of premium quality 2,400 x 600 dpi with absolute ease, the CLP-320/325 delivers high quality colour printing whenever you need it.

One less noisy office distraction

The Samsung CLP-320/325 is engineered to operate quietly and producing less noise while printing than the gentle hum of a running refrigerator! A desktop printer that does its job while letting you focus on yours.
